DeKalb homeowners may apply for a Property Assessment Freeze on the home that they own and reside in on January 1st. To qualify, you must own and occupy the property as your primary domicile and legal residence for all purposes whatsoever including the registration of your vehicles and filing of your state income taxes. Exemptions are not automatically granted. You must first apply for the property assessment freeze by completing and submitting this form by the homestead deadline of the year in which the exemption is sought. Once approved, the property assessment freeze is in effect for as long as you retain your homestead exemption, subject to periodic audits to verify continuing eligibility. To apply for the Property Assessment Freeze, carefully read the sworn statement below and complete the form as directed.

I hereby request the addition of the Property Assessment Freeze to my existing homestead exemption status. All of my vehicles are registered at this property, and the property is not being used for rental purposes. I have accepted the terms and requirements of homestead exemptions. I understand that the freeze is only applicable for specific tax purposes, not for all.
